

VISIONEERING
WICHITA

Cyber Alliance Leadership Team
July 14, 2008

Attendees present: Col Roebuck, Karen Cox, Melody Everhart, Jackie Vietti, Brett Weber, Jessica Powers, Roger Powers, Miriam Ubben, Pat Gallagher, Suzie Ahlstrand, Diane Longfellow

Chamber Board of Advisors Presentation

Col. Roebuck, Miriam & Karen gave a run through of the presentation for the Aug 6th meeting of the Chamber's Board of Advisors meeting. Suggestions were made to include information about local IT company success stories. And move the "Way Ahead" slide to the end of the presentation. Handouts for the meeting will include membership forms for SITAKS, Kansas Career Pipeline data sheet, invitation to join the Cyber Alliance and local IT company profiles.

- Col Roebuck will send Diane the link for the 10-20-30 rule for PowerPoint presentation to send out to the group.
- Melody will develop the IT company profile handout.

SITAKS Update

SITAKS media release was provided.

City Cyber Center Concept

Held over for the next meeting.

Chamber Seminar Series

It was decided "Meet your Local IT Success Stories" would be a good topic for the 1st event. An opportunity to get to know your local IT companies. Melody & Suzie will work on this. Need to decide who would be on the panel and what would be discussed. Would like to have something to announce at the BOA meeting.

General Discussion

It was decided one-on-one meeting with the media rather than have a news conference. This way would generate more in depth coverage.

Next Meeting

Next meeting: Sept 3, 10:00 a.m. at the Chamber.
Agenda: preparing for the panel discussion.
