

**January 28th & 29th, 2011**

**WSU Hughes Metroplex  
Oliver and 29th St. N.**

[www.greenwichita.org](http://www.greenwichita.org)

The City of Wichita and its partners will host their third annual Regional Energy and Sustainability Summit & Fair on January 28th and 29th, 2011. Two distinctly different days and events are designed for two different audiences, but all are welcome both days.

#### **Registration**

For registration, sponsorship and exhibitor opportunities, please go to [www.greenwichita.org](http://www.greenwichita.org) and look for the conference links. You may also register by calling 316-978-6493.

#### **Friday, January 28th:**

**Business Energy and Sustainability Summit** for business owners/operators, management, facility managers, architects, engineers, elected officials and municipal government staff.  
Cost: \$55 early bird, \$65 regular.

Pre-registration is required. Giveaway items and drawings for energy efficiency and sustainability products and equipment.

#### **Saturday, January 29th:**

**Community Energy and Sustainability Fair** for area residents, renters and homeowners; community leaders, nonprofit and faith-based members. There will be demonstrations and hands-on sessions. **NO COST.** Giveaway items and drawings for energy efficiency and sustainability products and equipment.

Both days include exhibits and multitopic breakout sessions.
