
Visioneering Wichita – Environmental Sustainability

Social Environmental

Mission

To provide access to resources that will promote a healthy environment for all people in South-Central Kansas, especially those in economically challenged neighborhoods.

Benchmarks

Transportation

- Decrease motor vehicle miles by 5% by 2015
- Increase public/non-motorized transportation by 2015

Strategies

- Research
- Educate, Facilitate, Motivate

Tactics/Actions

- Connect with Health Care and Older Adult Alliances
- Assess supply and demand of healthy food options in 4-county area (community gardens, grocery stores, etc.)
- Map transportation options
- Communicate about gaps; engage the community toward solutions
- Promote fresh, local food sources (community and home gardens)

Projects/Grant Ideas

- Creating community gardens – produce + native plants
- Education – locally grown
- Transportation – Farmer’s Market, bike paths, bus passes/routes
- List of restaurants – food giveaways
