Alliance Direction:

Brief look at where we are and where we are going:

- August workgroup notes reflect work from previous meetings
- Comments
 - Primarily working on environmental element
 - Need to readdress direction
 - Agreement 6 focus area are correct
 - Helpful to have 1 cause to go after
 - Good to have benchmarks
 - Need to create a preferred future (big picture goals)
 - Energy efficiency touches all areas
 - Waste management – recycling a place to start
 - Need to be resource for people – education
 - Air quality a possible overarching area that touches all areas
 - Show support for what is currently going on
 - Need leader for each core area
- Summary
 - Facilitation – education – resource
 - Work as a group to educate
 - Pushing message out via Facebook, Tweet, Greenwichita.org, channel 7

“Preferred Future” (long term)

Alliance Agenda:

- Jack Brown report on WIRE grant
- Dane Baxa present "Preferred Future" statements
- Planning process discussion
- Connecting the plan with action

Next leadership team meeting:
