**Visioneering Wichita K/12 Mentoring
Leadership Team Notes
January 3, 2008**

Attendees: Donovan Karber, Angela Kessler, Lottie Miller, Cornelia Stevens, Terry Behrendt, Paulette Goines, Suzie Ahlstrand, Diane Longfellow

Purpose of the Meeting: Begin planning for the Kansas State Mentoring Conference in June 2008.

The Alliance received a grant for \$38,500 to host the Kansas State Mentoring Alliances. The event will be June 11 (evening – networking) and 12 (conference) at the Airport Hilton.

Cornelia has a meeting on January 10th with Kansas Mentors to discuss the state and regional conferences. After that meeting she will have more information about expectations from the state. The regional conferences are 1 day, mini versions with the goal to engage businesses. At the regional conferences participants will receive information about the state conference.

Ideas for the Conference:

- Need to determine goals – take aways
- Recipe to start a mentoring program – guide
- Main points of marketing – screening – maintaining
- WSU will offer 1 hour graduate level credit
- Perhaps a speaker on reframing the issue
- Staff development
- Networking opportunity

Next Meeting:

January 14, 11:00 a.m. at the Chamber. Invite the Alliance asking those interested in serving on this workgroup come to the meeting.
